OUR MISSION

Lutheran, a Christian organization, is a comprehensive continuum of community, residential, and home based supportive services that help people of all ages gain or retain independence.

Touching Lives Club

It's all about the people you love and care about...

Life well lived. Everyday.

Thank you for touching lives with a gift to Lutheran.

Lutheran

Life Well Lived. Everyday.

You provide the entire continuum of care for adults as they age, as well as for youth with special needs, through your financial support. From volunteer work and outreach, to foster care and learning, to housing and skilled nursing, you are there.

Through your membership in the Touching Lives Club, you will ensure that all the youth and adults that Lutheran serves will be able to live as independently as possible and have a brighter future. You make our foundation strong and solid. You are the foundation that holds up our mission of helping people live life well. Everyday.

Our programs at a glance:

Lutheran Senior Housing includes over 300 units of market rate and subsidized housing for low income seniors.

Senior Life Matters community outreach program provides support and solutions to people as they age.

Lutheran Home and Rehabilitation Center offers excellence in skilled nursing and a full rehabilitation program including all aspects of physical, occupational and speech therapies.

Hultquist Place Assisted Living Program provides a warm homelike atmosphere for our seniors who need extra help with activities such as personal care, medication management, cooking and laundry.

Warner Place Medical Model Adult Day Care Program offers an alternative to the nursing home for those who have support at home, yet need medical care and socialization during the day.

GA Family Services includes outreach, foster care and adoption services, a residential program and learning center for youth with special needs.

The **RSVP** and **Foster Grandparent Program** are sponsored by Lutheran because of the valuable resources their volunteers bring to our community.

You Make a Difference!

The Touching Lives Club honors your total annual giving in support of our residents and patients at Lutheran.

Created in 2007, the Touching Lives Club is the flagship fundraising effort in support of all programs.

Lutheran began in 1886 as an orphanage for the children of Swedish immigrants. In 1930, we opened the Lutheran Retirement Home. Since that time, we have evolved and grown significantly to meet the needs of the ever changing community.

Your thoughtful support helps to ensure the best of care for all the youth and seniors we serve.

Gifts to the Touching Lives Club may be made in honor of or in memory of loved ones and may be designated to any of our programs.
