Are you willing to be an active participant in your wellness, by taking a brief wellness survey each day and by using the technology that is available to you in your apartment?

YES  NO

**Lively:** A passive monitoring system that uses small, unobtrusive motion detectors strategically placed in the apartment to track daily activities.

**The Connect System:** Uses a touch screen monitor that you would use every day to take a brief wellness survey. It also keeps you informed of community events, activities, and the local weather. You can choose to communicate with others who have this system.

Other technologies will become available to you in the future, which you will have the option to choose at an additional cost. Lively and the Connect System are included in your monthly rental fee.

Edgewood Communities is a tobacco/smoke free campus. Residents and guests are not permitted to smoke anywhere on the campus including in resident units.

Are you willing to honor and enforce our policies? YES  NO

Do you have a pet? YES  NO  The Smartment™ Building and the duplexes are pet friendly. We have limitations on the size, type and number of pets per apartment.
